

Spring Clean Up

April 13th – 24th

The Village will be collecting yard waste during the second and third full week of April.

Please have lawn/plant clippings, leaves, and small limbs in paper bags placed at the curb for pick up. We will not be able to pick up limbs larger than 2" diameter. Limbs that cannot be bagged must be stacked neatly at the curb.

The Village will pick up yard waste only. Absolutely no trash will be accepted.

For more information, please call the Village offices at 740-625-6075
